

PARENT TEACHER
ASSOCIATION

October 1, 2016

Hello Everyone!

On behalf of the PTA, I would like to extend a warm welcome to all parents, guardians and faculty members that are new to the Lavelle family. This coming school year we will return to our new and improved campus, with lots of new faces, and I anticipate that this will be a great and exciting year. I am looking forward to meeting and working with all of you. The PTA has some fun activities and events planned for students and families this year, and we are hoping for your participation and support.

The general meetings for the PTA will be held on the 3rd Wednesday of the month at 6:30pm. If any changes occur, notices will be sent out with the alternate date. Here is the current meeting schedule:

October 19, 2016

December 21, 2016

February 15, 2017

April 19, 2017

June 21, 2017

Please join us to help make the school memorable to our students. Important information regarding Lavelle is shared at these meetings. The more you participate and informed you are, the better you will be able to help your child succeed at Lavelle. Visit the Lavelle Prep website and look for announcements from the PTA. This is your PTA and we will discuss and address concerns at these meetings. Feel free to email the PTA at pta@lavelleprep.org.

Thank you for your cooperation
Carmen Martinez
