

Overcoming Barriers & Fulfilling the College Promise

January 22, 2018

Dear Lavelle Prep Parents and Guardians,

As you know, the time for New York State ELA and Math examinations is approaching. In order to provide our students with additional opportunities for success, Lavelle Prep will be offering a Saturday school program beginning January, 27th. General information for the sessions is listed below, and each student will be given an individual schedule once they are accepted into the program. It is important that the permission slip is returned in a timely manner, as seats will be reserved on a *first come, first serve* basis. Please respond no later than Friday **January 26, 2018**.

You will be responsible for transportation to and from school; students who are eligible will receive a Saturday Metro-card. During the Saturday sessions, there will be no food served. Since this is a purely academic program, any child who displays negative behaviors will be excluded from these classes. The period is short, so being on time is *crucial*.

Program Time: 8:30 – 11:30 (There will be an ELA and Math session offered, each lasting 90 minutes)
Program Dates: **Math and ELA** – 1/27, 2/3, 2/10, 3/3, 3/10, 3/17, 3/24
Math only - 4/14, 4/21, 4/28

Very truly yours,

Christopher Zilinski
Principal
