

Lavelle Preparatory
Charter School

Welcome back, Lavelle Prep families!

As we begin the new school year, our teachers and administrative staff look forward to building on our foundation of academic excellence at Lavelle Preparatory Elementary Charter School. We believe that a school is only as great as its instructors, and that our faculty are deeply invested in continuing to provide a top-quality education experience for all students.

It is our pleasure to announce Alison LoSavio as the newest co-principal of Lavelle Prep Elementary! Together, we will be working alongside our staff, to maintain a positive, safe, and fun learning environment for your child to thrive in. To achieve this, our school will continue to offer a hands-on approach to instruction, creating a space where individualized attention is possible.

Additionally, we utilize a communication program called **ParentSquare**. Parent email addresses and phone numbers are automatically transferred from our student information system from registration, so there is no need to download anything. However, if you would like, there is an app available for download. We use this program to private message parents about student progress, send whole school communications, emergency communications, our weekly newsletter, and much more!

We also utilize **Class Dojo**. Your child's teacher will be sending home additional information at the start of the school year to connect to your classroom! This is a free messaging app that allows for ongoing communication.

Save the date! Please join us on **September 15th, 2022 at 5pm** for a Back to School Night! This is an opportunity to accompany your student and meet the teachers, administration and staff. It is also a great way to see our brand new state of the art building and peek inside your child's classroom environment!

We will be sure to stay in touch with you and give you updates frequently so that you are well informed. Should you have any questions, please feel free to email us, Jcurran@lavelleprep.org or ALoSavio@lavelleprep.org

As always, the social, emotional, and overall well-being of our students is a priority in the vision to nurture and support our successful leaders of tomorrow. We are excited to make that dream a reality again this year!

We will be sure to stay in touch with frequent updates prior to September. Should you have any questions regarding busing, please email our busing coordinator at Alessa@lavelleprep.org
