

Overcoming Barriers & Fulfilling the College Promise

August 15<sup>th</sup>, 2022

Dear Lavelle High School Community,

It is with great pleasure that I welcome you to the 2022/2023 school year at Lavelle High School! Heading back to school is always an exciting time especially as we enter this year having achieved the status of one of the best high schools in the country for three years in a row. We look forward to continuing that excellence and we pride ourselves in giving our students the attention they need to achieve the success they deserve.

I am pleased to share that Lavelle High School staff is deeply committed to making a positive difference in the lives of our students. We faced many challenges last school year, but we continued to achieve and do great things while learning in a variety of formats. We truly embraced the fact that learning happens everywhere! Our staff has spent the summer preparing to make this school year the best one yet. We have high expectations for our students and we will do everything we can to support them throughout this process. It is our goal at Lavelle that all students are on track to be college and career ready.

We embrace the challenges of the future while we continue to cherish and celebrate the traditions of the past. Our remarkable staff, involved parents and committed students come together to make Lavelle High School a wonderful, unique place.

We welcome your involvement and participation in our great school and look forward to working with you as we strive toward an academically successful 2022-23 school year. Together, I know we will make this school year one of growth and achievement for all Lavelle students!

Onward,

*Dori Rexha*
